

HANDGUN QUALIFICATION LICENSE COURSE

MARYLAND HANDGUN QUALIFICATION LICENSE – 4 Hour Course

Short Description: Firearm Instruction, Responsibility, Safety, Maryland Laws, Mechanics of Firearms, and Live Fire Qualification – Required course for all new gun owners in the State of Maryland.

More Details: The HQL Course is designed to provide a hands-on instruction to the safe handling and proper ownership of a regulated firearm / handgun in the State of Maryland. As required by law, this class will go over in detail:

1) State Firearm Law. Overview of the State firearm laws, including discussion of what constitutes a regulated firearm, how to properly purchase or transfer a firearm, where allowed to carry or transport a firearm, when necessary to possess a carry permit, who is prohibited from possessing firearms, and state law relating to minors, permissible levels of force, and use of deadly force.

(2) Home Firearm Safety. Overview of handgun and firearm safety in the home, including discussion of access to minors, locking and storing of firearms, and use of safety devices, such as secure lock boxes.

(3) Handgun Mechanisms and Operation. Overview of the proper operation and safe handling of a handgun, including cleaning and maintenance, the loading and unloading of ammunition, and the differences between revolvers and semi-automatic handguns.

(4) Operation and Handling Demonstration. Orientation component that demonstrates the person's safe operation and handling of a firearm, to include a "live fire" component in which the applicant safely shoots the weapon.

PRICE: \$100.00 (NON REFUNDABLE, PAYMENT IN FULL TO REGISTER FOR CLASS)
